**SNAPPLE RED TEA**

\$1.39

Made from South Africa's rooibos plant, Snapple's newest super-premium offering is Red Tea. The naturally caffeine-free beverage contains antioxidants and Vitamin C and is available in mixed berry, mandarin tangerine and peach pomegranate.

# Driven to drink

**LUNA TEA**

\$2.99

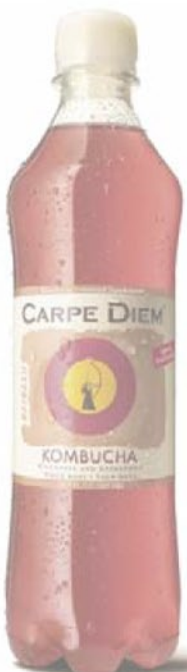

Republic of Tea and Luna teamed up to create the first line of organic bottled nutritional iced teas especially for women. Replete with vitamin B folate, calcium and vitamin D, they come in five delicious flavors.

**CLEARLY CANADIAN NATURAL ENHANCED WATER**

\$1.39

DailyEnergy, DailyVitamin and DailyHydration carbonated waters new to the market. With flavors like grapefruit and blueberry, they're low or zero preservatives or artificial sweeteners.

**CARPE DIEM KOMBUCHA, GINKGO AND KEFIR**

\$1.89

The company behind Red Bull has three drinks inspired by the herbal remedies of ancient Asia: a lightly carbonated elderberry/kefir mix, a well-executed kombucha blend and a smooth ginkgo drink. They are slowly making their way east from California.

**DRY POMEGRANATE GUS SODA**

\$1.49

GuS Soda is created for discerning adult palates, and dry pomegranate is the latest addition. Like the other six distinctive flavors, it's 100 percent natural, caffeine-free and sweetened with real cane sugar.

**DRY POMEGRANATE GUS SODA**

\$1.49

GuS Soda is created for discerning adult palates, and dry pomegranate is the latest addition. Like the other six distinctive flavors, it's 100 percent natural, caffeine-free and sweetened with real cane sugar.

**ORANGEMINT AND METROMINT**

...citrus in Orangemint  
 ...mint, two new flavors  
 ...romint lineup. With  
 ...vatives, sweeteners  
 ...the peppy waters are  
 ...ng pick-me-up.
